

Explicit Consent Form for prospective customers

This Explicit Consent Form was drafted as a means of obtaining the explicit consent of the data subject to process their personal data with reference to the points explained in detail in the Data Protection Policy drafted as per Turkish Law No. 6698 on the Protection of Personal Data (the “KVKK”). Argela Yazılım ve Bilişim Teknolojileri San. Tic. A.Ş. requires your explicit consent to process your personal data as listed in the Data Protection Policy. The processing of such data takes place entirely at your discretion, and not giving your consent will cause no inconveniences on your part. You can revoke your explicit consent after you have given it.

1- Personal data includes the following data obtained for marketing process: your name/surname, title, business card, telephone number, business address, industry information, email address, LinkedIn profile information, and details of your current employer.

2- I have read and understand the contents of the Data Protection Policy. I freely and expressly consent to the processing of my personal data, whose nature is specified in the Data Protection Policy, for the purposes specified in detail in the same document.

I agree to the above statement I do not agree to the above statement

3- I consent to the transfer of my collected personal data to the companies and institutions specified in the Data Protection Policy for the purposes specified in the same document.

I agree to the above statement I do not agree to the above statement

4- Your personal data, as specified in Article 1, will only be transferred abroad – where it is kept on cloud servers and transferred to overseas companies, in particular Netsia Inc., a subsidiary of our Company – with your explicit consent.

I consent to the overseas transfer of my personal data.

I agree to the above statement I do not agree to the above statement
