Explicit Consent Form for Customers

ARGELA

This Explicit Consent Form was drafted by Argela Yazılım ve Bilişim Teknolojileri San. Tic. A.Ş. in order to obtain your explicit consent to process and transfer your personal data in line with the Data Protection Policy drafted as per Turkish Law No. 6698 on the Protection of Personal Data (the "KVKK"), which contains all the corresponding details. The processing of such data takes place entirely at your discretion, and not giving your consent will cause no inconveniences on your part. You can revoke your explicit consent even after you have given it. Related personal data refers to that

specified in the Data Protection Policy for the purposes of conducting marketing analysis studies and managing celebrations and events.

1- I have read and understand the contents of the Data Protection Policy. I consent to the processing of my personal data for these processes.

I agree to the above statement ☐   I do not agree to the above statement ☐

2- I consent to the transfer of my collected personal data to the companies and institutions specified in the Data Protection Policy for the purposes specified in the same document.

I agree to the above statement ☐   I do not agree to the above statement ☐

We also require your explicit consent for the overseas transfer of the following personal data, which we collect for the following purposes as specified in the Data Protection Policy:

- your ID details, contact information, customer transactions and financial details to manage the follow-up processes for invoice amounts/debts owned;
- your financial and identity details to manage tender processes;
- your ID details, contact information, details of your profession, customer transactions and financial details to execute development processes;
- your ID details, contact information and details of your profession to manage celebrations and events.

The overseas transfer of such data takes place entirely at your discretion, and not giving your consent will cause no inconveniences on your part. You can revoke your explicit consent after you have given it.

I have read and understand the contents of the Data Protection Policy. I consent to the processing of my personal data for these processes.

I agree to the above statement ☐   I do not agree to the above statement ☐

I have read and understand the contents of the Data Protection Policy. I consent to the overseas transfer of such personal data.

I agree to the above statement ☐   I do not agree to the above statement ☐
